

2025

Part. I

2025 marque une nouvelle année pleine d'audace et de surprises chez Solido ! Plus que jamais, on met le cap sur des modèles récents, les voitures japonaises et allemandes, et les créations «Solido Works».

Cette année, on revient avec deux catalogues : une édition Printemps/Été et une édition Automne/Hiver. Un seul catalogue ne pouvait pas contenir tout ce que l'on vous réserve !

Direction le Japon avec de nouveaux modèles qui vont faire sensation : la mythique Nissan Silvia S15, la superbe Subaru Impreza WRX STI 2003 qui fait son grand retour chez Solido 20 ans plus tard, et l'extrême Toyota GR86 Liberty Walk !

Côté allemand, préparez-vous à un début d'année sous le signe de Porsche avec la superbe 993 et l'impressionnante 992 GT3 RS. Les fans de BMW ne seront pas déçus non plus : après un clin d'œil au passé avec l'incontournable E21, cap sur les dernières merveilles de la gamme M. De quoi ravir les collectionneurs que ce soit à l'échelle 1/18e ou 1/43e.

Et pour les adeptes du 1/43e, on fait les choses en grand. De nouvelles marques débarquent, comme MINI, Honda et Ford, notamment avec la très demandée Focus RS MK.2.

Bref, le mot d'ordre reste le même : faites de la place !

La Formule 1 chez Solido s'enrichit avec l'arrivée d'une écurie légendaire : Williams. Elle rejoint nos écuries partenaires, Alpine, Kick Sauber et McLaren.

Et ce n'est que le début. Nous vous réservons encore de belles surprises dans les mois à venir alors restez connectés !

Faites de la place dans votre collection, 2025 s'annonce haute en couleur avec Solido !

2025 marks a new year full of innovation and surprises at Solido! More than ever, we're focusing on current models, Japanese and German cars, and 'Solido Works' creations.

This year, we're back with two catalogues: a Spring/Summer edition and an Autumn/Winter edition. A single catalogue couldn't possibly contain everything we've got planned!

We're heading to Japan with some sensational new models: the legendary Nissan Silvia S15, the stunning 2003 Subaru Impreza WRX STi making its comeback at Solido 20 years later, and the extreme Toyota GR86 Liberty Walk!

On the German side, get ready for a Porsche-focused start to the year with the gorgeous 993 and the impressive 992 GT3 RS. BMW fans won't be disappointed either: after a wink to the past with the iconic E21, we're looking to the latest cars from M range. Something to delight collectors of the brand, whether in 1/18 or 1/43 scale.

And for fans of 1:43 scale, things are going through the roof. New brands such as MINI, Honda and Ford, including the much sought-after Focus RS MK.2, are joining the show. In other words, the watchword remains the same: make space!

Formula 1 at Solido is getting stronger with the arrival of a legendary team: Williams. It joins our partner teams, Alpine, Kick Sauber and McLaren.

And this is just the beginning. In the coming months, we'll have plenty more surprises to share with you. So stay tuned!

**Make room in
your collection,
2025 is going to be a
colourful year with Solido!**

Renault 4L GTL - Red -1982

Commençons avec un modèle français emblématique, la Renault 4L ! De nos jours, elle est aussi rare qu'une licorne, les collectionneurs Solido la cherchent désespérément. L'intérêt pour les grandes échelles ne fait que croître. Aussi, nous ne pouvions pas passer à côté du mouvement. C'est pour cela que nous vous proposons le retour de l'échelle 1/12e chez Solido. Commençons avec trois voitures françaises emblématiques. Ces miniatures « grande taille » (~40cms de long) sont toujours en métal avec ouvrants et roues directionnelles !

Let's start with an iconic french model, the Renault 4L ! Nowadays, it is as rare as a unicorn and Solido collectors are desperately looking for it. The interest in large scale cars is growing. So we couldn't miss out on the movement. That's why we're bringing you the return of the 1/12th scale at Solido. Let's start with three emblematic French cars. These « big size » modelcars (~40cms long) are still in metal with opening doors and directional wheels !

Icons to collect,
legends to own*.
